Catherine Zeta Jones for Elizabeth Arden

1

To achieve Catherine Zeta Jones' look apply Color Intrigue Eyeshadow in Vanilla over entire upper eyelid from lashline to brow.

2

Sweep Color Intrigue Eyeshadow in Siren across the lid from lashline to just beyond crease. With a small eyeshadow brush apply Color Intrigue Eyeshadow in Ember on the outer corner of eyelid. Blend carefully with a clean eyeshadow brush to avoid hard lines.

3

Line upper and lower lashline with Color Intrigue Eyeliner in Umber. Then smudge Color Intrigue Eyeshadow in Siren over the Umber, along lower lashline.

4

Apply Double Density Maximum Volume Mascara in Black to upper and lower lashes.

5

Dust Color Intrigue Cheekcolor in Sunblush over cheeks, concentrating on the apple.

6

Apply Ceramide Plump Perfect Lipstick in Perfect Cinnamon to lips. Finish with a coat of High Shine Lip Gloss in Pink Champagne.
